

WESLEYAN REPUBLICANS IN TIGHTER BATTLE

Will Fight for Uninstructed Delegation to National Convention at Coming State Meeting at Chattanooga.

Republicans seem to be completely at a loss for a candidate for governor upon whom they can agree, although the convention is only two weeks distant.

In the past politicians in control of the party have not wanted a strong man, but merely a stalking horse with just enough following to keep the party in line and to enable the leaders to make a showing of party strength without giving them a hearing when they asked for federal office.

This year there seems to be a revolt against that practice and some leaders in this end of the state have declared for a new deal and for the nomination of some man who could really make a showing. The election of Ben Hooper a few years ago was not due to any special activity of the Republicans, but to the fact that the party was split in the Democratic party, but to the split in the Democratic party.

The only man who could hope to win such a showing, however, is Senator J. W. Rife, who has been mentioned by some of the party leaders. Rife is a strong man, but he is a Democrat, and the party is split in the Democratic party.

Most of the preliminary skirmishing, however, is between partisans of Gen. Leonard Wood and Gov. Frank O. Lowden, of Illinois, for the delegates to the national convention. That will be the real fight at Chattanooga, April 14.

Sam B. Selig, congressman from the First district, is the Wood man for the state and naturally wants an instructed delegation from his constituents, but the delegates from this end of the state favor an uninstructed delegation to the national convention.

Shelby county Republicans named 25 women on the delegation to their state convention. There will be three competing delegations from this county one claiming regularly under the state committee call, one led by G. Tom Taylor and one of negroes.

The state committee has been trying to bring about harmony in the Tenth district, but the county committee headed by C. B. Allen and the delegation named at the mass convention at which that committee was appointed, will contend for complete recognition, or none.

It is reported that the Republicans of Knox county were so busy that they failed to elect any women as delegates to the state convention.

The Republican state committee early in the year named two women from each congressional district as members of an auxiliary state committee, headed by C. B. Allen, Memphis, and Miss Edna Farley, Whiteville, are the members from the Memphis district.

Mrs. Daniel M. Noble, Paris, and Mrs. Will J. Neeley, Huntingdon, are members for the Eighth district, and Mrs. R. M. McNeely, Humboldt.

Local Naval Office Gets Eight Recruits

With eight accepted applications to its credit the Memphis office of the U. S. Navy recruiting bureau led all cities in the Nashville district for the week ending March 23. Chattanooga and Knoxville were tied for second place with five each. Nashville managed to obtain one application.

As a result of his fine work of late, D. M. Haxey, C. B. M., in charge of the local bureau, has been commended by the commanding officer of this section. Other officers, incidentally, have received instructions to increase their efforts and approach a more acceptable standard.

OVERNIGHT SERVICE.

PINE BLUFF, Ark., March 23. (Sp.)—Beginning today the Cotton Belt railway has inaugurated an overnight freight service between this city and a number of towns south on their line. Special cars are loaded for each of the following towns and the train leaves at 8 p. m. and delivery can be made at morning. The towns are Rives, Kingsland, Fordyce, Thornton, Beard, Camden and Stephens.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers.

Doesn't hurt a bit! Drop a little Frezzone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Frezzone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness, or irritation. Frezzone is the sensational discovery of a Cincinnati genius. It is wonderful.

OLD-FASHIONED WHOOPING COUGH

Lung-Vita, Now Called L-V, Gave Quick Relief.

"Three of my grandchildren were victims of whooping cough and had been suffering about three weeks when I began giving them Lung-Vita, now called L-V. In less than a week the whoop stopped and in another week the cough was gone," says Mrs. G. L. Hanson, 1405 McMillan St., Memphis, Tenn.

"That was the first time I ever knew whooping cough to be cured before it had run its course. Being full of the extra flesh is needed by all to feel well and to look well, and this calls up the question of how to increase the weight. Physicians and chemists by experiments have solved the problem of increasing the weight and corpulence of the blood by the administration of 2 grain hypo-nucleic tablets, and this is usually followed by an increase of weight. Obtain in sealed packages, and take for a period of several months, according to directions with package, adv.

How Is Your Weight?

While it is true that too much weight is not to be desired yet the fact remains that many men and women are thin to the point of danger. This danger lies in their having no reserve force or nerve power to combat deadly diseases. A little extra flesh is needed by all to feel well and to look well, and this calls up the question of how to increase the weight. Physicians and chemists by experiments have solved the problem of increasing the weight and corpulence of the blood by the administration of 2 grain hypo-nucleic tablets, and this is usually followed by an increase of weight. Obtain in sealed packages, and take for a period of several months, according to directions with package, adv.

Aged People Suffer

And Weaken Their Vitality by Constipation, Liver, Kidney and Other Irregularities.

Supherb Tablets, a Mild, Efficient Formula, Gains Wide Popularity in Recent Years.

"Young" woman, seventy-seven years old, writes: "I am taking Supherb Tablets, and I think they are a splendid remedy for constipation. I am seventy-seven years old and have tried many remedies but have found none as effective as this. I am now feeling better than I have for years. I am not only laxative, but a fine tonic also. I feel much better and stronger since I began to take them. Sincerely and gratefully yours, (Mrs.) Ellen A. Bennick, Cambridge, Mass.

Supherb Tablets (not sulphur tablets) are composed of sulphur, creatine and the fine extracts of roots and herbs, and are purely suited for children or adults to overcome the ills that follow a dormant liver, constipated bowels and inactive kidneys. Headaches, backaches, dizzy spells, pimples, rash, boils, hives, etc., all follow the train of irregular elimination of impurities. A week's treatment will please and gratify the most skeptical. Sold by leading druggists everywhere at 60c per tube, adv.

TO PROTEST AGAINST ROAD IMPROVEMENT

JONESBORO, Ark., March 23. (Sp.)—The Citizens' league of the Tri-County Highway Improvement district was organized at the courthouse today with Dr. P. H. Barnes, president, and Dr. J. W. Rife, secretary. The league is organized to protest against the building of the tri-county road district, the claim being that the assessment and other costs are too high. The league attorneys are Lamb and Friserson. About 300 taxpayers are members of the league.

KEEN RAISERS COLLECT

Fourteen thousand dollars for two carloads of hens was collected among the farmers of Obion county this week by buyers from Northern markets, according to Joseph Mette, postmaster of the bureau of farm developments, Memphis Chamber of Commerce, who has just returned from the northwestern section of the state.

One car was shipped from Obion and one from Trumble. Each of them contained 20,000 pounds of hens that were bought at 25 cents per pound. The car from Obion was shipped to Chicago and the car from Trumble to Buffalo, N. Y. A car also was shipped this week from Union City.

The record price was \$45.50 paid for 18 hens. A woman living in Obion county stated that throughout last winter her hens laid from four to six dozen eggs a day and she sold them at not less than 50 cents per dozen.

MRS. J. O. CRAIG DIES

JACKSON, Miss., March 23. (Sp.)—The death of Mrs. J. O. Craig, 48 years old, wife of Miss Mattie Lee of Jackson, which occurred at her home near Brownsville at 5:30 o'clock Sunday afternoon, was reported by her friends in Jackson, who were acquainted with her life and work. She was reared in the Union community, this county, and recently made her home in Jackson with her brother, J. T. Ivey. She was married to J. O. Craig, prominent farmer of the Brownsville vicinity.

Mrs. Craig was a member of the Baptist church. She is survived by one sister, Mrs. Sarah Acuff, and three brothers, J. W. A. W. and J. T. Ivey. The funeral services were conducted from the residence Monday and the interment took place in Harmony cemetery.

FIND AVIATOR'S MACHINE

ARCADIA, Fla., March 23.—A message received at Carlstrom field here today stated that the airplane in which Capt. Jimmy Doolittle left the field Tuesday for Fort Myers, an hour's flight, had been found 32 miles south of the latter place in the Everglades. The search for him is being continued, and the authorities believe he will be found by Indians.

A RAW, SORE THROAT

Eases Quickly When You Apply a Little Musterole.

And Musterole won't blister like the old-fashioned mustard plaster. Just spread it on with your fingers. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the soreness and pain. Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from stiff throat, bronchitis, tonsillitis, croup, asthma, neuritis, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back of joints, sprains, sore muscles, bruises, chilblains, frostbite, colds on the chest. Nothing like Musterole for croupy children. Keep it handy for instant use. 30c and 60c jars; hospital size \$2.50.

Rupture Kills 7,000 Annually

Seven thousand persons each year are laid away—the burial certificate being marked "Rupture." Why? Because the unfortunate ones had neglected themselves or had been merely taking care of the sign (swelling) of the affliction, and paying no attention to the cause. What are you doing about it? Are you neglecting a truss, appliance, or whatever name you choose to call it? At best, this is only a makeshift—a false prop against a collapsing wall—and can not be expected to act as more than a mere mechanical support. The binding pressure retards blood circulation, thus robbing the weakest muscles of that which they need most—nourishment.

But science has found a way, and every true sufferer in the land is invited to make a FREE test right in the privacy of their own home. The FLA-PAP method is unquestionably the most scientific, logical and successful treatment for rupture the world has ever known.

The FLA-PAP PAD when adhering closely to the body can not possibly slip or shift out of place, therefore, can not chafe or pinch. Soft as velvet, it is applied—Inexpensive. To be used whilst you work and whilst you sleep. No straps, buckles or irritating material. Learn how to close the hernial opening as nature intended so the rupture CAN'T come down. For this purpose today to FLA-PAP CO., box 100, St. Louis, Mo., for FREE trial Pappapad and the information necessary. adv.

TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Back-ache or have Bladder trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the blood. Regular eaters of meat must flush the kidneys occasionally. You must relieve moving all the acids, waste and poisons, else you feel a dull misery in the kidneys region, sharp pains in the back and sour, tongue is coated and when uric acid is had you have rheumatism, the uric acid is cloudy, full of sediment, the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush out the body's uric waste get about four ounces of Jad Salts from any pharmacist: take a tablespoonful in a glass of water before breakfast or a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts are sure, harmless and makes a delightful effervescent lithia water drink which millions of men and women have enjoyed, thus avoiding serious kidney and bladder diseases. adv.

A WOMAN'S VERDICT

Tells of Suffering Greatly With Kidney and Bladder Trouble and How Balmwort Brought Relief.

Her Letter Well Worth Reading

Mrs. Nellie McGinn, 609 East 128th street, New York city, writes:

"For the last year I have suffered greatly from kidney and bladder trouble, distressing pain in the back and hips, with rheumatic twinges and frequent severe headaches, accompanied by nervousness, chills, and fever; also a frequent desire to eliminate, a smarting, burning sensation, with pain in the region of the bladder. Beginning the use of Balmwort Tablets I noticed almost instant relief, and continuing to use them I am now totally well and relieved of all my pain and distress from which I suffered. I am glad to recommend Balmwort Tablets as a reliable beneficial remedy. I trust others may find relief and freedom from pain and distress as I did, etc.

The above letter is a true statement and is now on file in our offices. Balmwort Tablets bring relief when other medicine has failed. Sold by leading druggists, \$1 per tube. adv.

Interest Shown In Schmucker Lectures

Much interest is being shown in the series of lectures on "Rhythms in Biology," which are to be given by Dr. S. C. Schmucker, the eminent scientist and lecturer of Pennsylvania, at Goodwyn Institute this week.

Dr. Schmucker has spoken oftener than any other lecturer on the Goodwyn Institute platform, and is perhaps the most admired and popular lecturer who visits Memphis. He is an authority on the subjects discussed, and he has an established national reputation both as an author and lecturer.

His lectures at Goodwyn Institute, which are free to the public, will be: Monday, March 25, "Rhythms in Biology"; Tuesday, March 26, "Dreams and Dreams, or Dipping into the Past"; Wednesday, March 27, "Human Wreckage, or Unfulfilled Possibilities"; Thursday, April 1, "Joy and Fear, or Personality, Race and Immortality"; Friday, April 2, "Science and Immortality, or Knowledge and Faith."

THREE KILLED BY FARMER

COLUMBIA, S. C., March 23.—Hugh Manning, Bryan Salley and Julian Cooper are dead, and John Salley is in a hospital here probably fatally wounded as the result of an altercation late Saturday night with Charles Corbett, a farmer, near Salley, S. C. Corbett, who is charged with the shooting by the coroner jury, came to Columbia yesterday and surrendered at the state penitentiary.

The three men killed: Louis Salley, 13, and the wounded man, left Salley in an automobile Saturday night to go to the home of Cooper. On the way they passed Corbett's home, and according to John Salley, the car was stalled and a backfire from the motor set fire to some pumice owned by Corbett. Corbett claims the men fired the pumice with matches.

When the party returned Corbett, it was said, met the car in front of his home, and after a few words began shooting.

AMERICANS LIBERATED

MOSCOW, March 23.—A telegram has been received by the Red Cross officials here from J. N. Medlin, of Kansas, and Lieut. Frank R. Hunt, of Illinois, who were reported last January to have been captured by the Bolsheviks in Eastern Siberia. The telegram was sent by way of China from Irkutsk and stated they and another American named Lacey were leaving for Verkhne-Tynda, indicating that they, and probably the British and Danish nationals were taken by soviet forces in the Far East, had been liberated.
